
Services We Provide

Part of the Gridley Difference is convenience. We supply you with everything you need—;from architectural and interior design to product selection to construction and warranty work—;under one roof. We offer you choices, such as green versus conventional building or traditional versus universal design. And we offer you peace of mind, which stems from knowing that a dedicated team of professionals is working for you.

Following are some of the many services we offer:

- Home assessments and Feasibility Reviews

- Design, including architectural and interior, space planning, regular and green, ADA, universal and Aging-In-Place
- Computer 3-D modeling and visualization of design options
- Gridley Special Value Services for clients on tighter budgets
- Expert in-house, one-stop product specification services, including green building and special-needs product guidance
- Two convenient showroom locations for design meetings and product selection
- Permits
- Complete project management and control
- Warehousing for smoother scheduling
- Construction, including traditional, green and for clients with special needs, with all trades in-house
- Building inspections and approvals
- Warranty services
- Post-warranty services
