## FREE SEMINARS

### Gridley Company FREE SEMINAR SERIES Transforming Spaces In Your Home

Are you ready to transform your home so it's perfect for you and your family? Come learn how you can avoid costly mistakes and maximize the value of your remodeling dollar! Reservations are required and space is limited, so sign up now for the seminar that's right for you! Seminar #1: Remodeling Traditional Homes For Non-Traditional Families

Is your home giving your non-traditional family the amount and type of space it needs? Come learn about home transformations that will work for your one-of-a-kind family. We will address the particular needs of blended families, step-families, single-parent families, same-sex families, grandparent-led families and unrelated families living together.

Homeowners attending will learn about innovative space solutions that work including:

- Dual master suites and living areas
- Main level master suites
- An au pair or nanny
- Second kitchens and laundries
- Private in-suite bathrooms
- Multiple parking areas or entrances
- Extended closet and storage spaces

Linda Gridley will walk you through the design challenges and solutions that will make your home fit everyone comfortably and create peaceful coexistence in your home.
